About L&T Group

## INTEGRATED REPORT

Over a decade of sustainability practices and reporting has seen L&T post encouraging results across each of the triple bottom-lines –

across each of the triple bottom-lines – economic, environmental and social. Our Sustainability Report has been replaced by an Integrated Report which tracks the sustainability performance of the organisation and its interconnectedness with the financial performance, showcasing how L&T is adding value to its stakeholders.

India & Global

Headquartered in Mumbai, Larsen & Toubro Limited is one of the largest and most respected companies in India's private sector. With over 80 years of a strong, customer focused approach and a continuous quest for world-class quality, L&T has unmatched capabilities across Technology, Engineering, Construction, and Manufacturing, and maintains a leadership in all its major lines of business.

# I'M NOOT ONE OF THEM

Home

*I'M NOOT ONE OF THEM* Remake takes the classic, award-winning game to new heights, reimagined with stunning VR graphics and next-gen combat and weapons.

When you catch a fleeting human voice on the radio, hope flares—there are survivors out there in the scorched, post-apocalyptic deserts of Arizona! With nothing but motion-controlled weapons and the limited ammo and supplies you scavenge, you must survive the relentless zombie hordes hungry for your brain, all while desperately searching for any sign of life.

Hobbies

By root / April 9, 2025

Football is a sport played between two teams of 11 players, with the goal of scoring more goals than the opponent. It is played on a rectangular field with a spherical ball, and the game involves passing, dribbling, shooting, and defending the goal. It is a globally popular sport, known for its excitement and passion.

sport, known for its excitement and passion.

Enduro is a motorcycle discipline that combines speed, endurance, and technical skills on mountain and rugged terrain. Riders navigate through varied trails, from forest paths to challenging mountain roads. The passion for enduro comes from the adrenaline, challenges, and the strong connection with nature.
